## European Potato Trade in 2030: *a sector in transition*

### About the Congress

On 23 and 24 May 2024 the entire European potato sector will meet in Brussels at the Europatat Congress. Our event provides a trusted platform to assess the state of play of the potato sector and to communicate the priorities and challenges facing the potato business in Europe.

Promote your company or organisation to Europatat's extensive network of industry leaders and decision makers, and show that you share the voice of the sector!
