75th Anniversary - Join us in Lisbon!

About the Congress

From 2 to 4 June 2027, the European potato sector will come together in Lisbon for the Europatat Congress 2027, co-organised with Porbatata. For the first time in its history, Portugal will host the Congress, making this edition particularly special as Europatat celebrates its 75th anniversary.

This milestone event will bring together potato professionals from across Europe and beyond to connect, exchange perspectives and discuss the priorities, opportunities and challenges shaping the future of the potato sector.
